

16 January 2012

Dunn County Beekeepers

- I. Meeting called to order at 700pm.
- II. Secretary and Treasurers reports read and accepted.
- III. Tom Prescott discussed the 20120 Introduction to Beekeeping Course
 - a. We checked out the building and we can make it work.
 - b. Basement is extra charge. Duane Manor will look into whether or not we have to have a bartender to guard the bar while we use the space or if other arrangements can be made.
 - c. Reviewed Schedule
 - d. Reviewed the Job of Mentor: Jim Erdman, Keith Fl anum, John Spate, Gary Longhurst, Don Berman, David Uher, Joe Zimmer, Kelly Frank, Paul, Will and Mary Lotten volunteered for the role of mentor.
 - e. Discussed how long to spend at each station during the round robin and settled on fifteen minutes at each station with five minutes to travel between stations.
- IV. George Adams will provide some leadership at the “non-traditional” methods of beekeeping table.
- V. Set up will begin at noon on Friday
- VI. We will collect money to buy nucs and packages from Honey Glow and then disburse money to Honey Glow from our account for those who purchase at the class or the meeting following the class.
- VII. Mary Lotten reviewed the letter drafted the zoning working group to be sent to the County Board regarding the current zoning language concerning beekeeping and apiaries. Those present approved the sending of the letter to the county board.
- VIII. Meeting adjourned at 835pm

Respectfully Submitted,

Daniel J Winings
